Drivers should expect 85-385 Gateway Project traffic shift tonight

GREENVILLE, S.C. – Crews on the 85-385 Gateway Project will be shifting traffic along the off-ramp from I-385 northbound to Woodruff Road tonight.

Motorists are advised to be aware of the traffic control devices and signage that will be in place. Traffic patterns should be back to normal later this weekend.

About the 85-385 Gateway Project:

The 85-385 Gateway Interchange Improvement Project will provide an economic boost to the Upstate, improve safety for the traveling public, and increase the capacity of this Interchange to function more efficiently for many years to come. At \$231 million, it is the second largest transportation project in South Carolina History. Learn more at www.85385gateway.com or via [Facebook](#).
