***Expect blasting along parts of 85-385 project tonight***

GREENVILLE, S.C. – Blasting will occur tonight as part of the 85-385 Gateway Project. As part of the operation, Highway Patrol troopers will temporarily slow down drivers along I-385 North, I-385 South and both lanes of Woodruff Road, but not stop traffic. Drivers should not be able to feel the blasts.

**About the 85-385 Gateway Project:**

The 85-385 Gateway Interchange Improvement Project will provide an economic boost to the Upstate, improve safety for the traveling public, and increase the capacity of this Interchange to function more efficiently for many years to come. At \$231 million, it is the second largest transportation project in South Carolina History. Learn more at [www.85385gateway.com](http://www.85385gateway.com).
