Potential delays expected along 85-385 Gateway Project Thursday

GREENVILLE, S.C. – Drivers need to be on the lookout for possible traffic disruptions late Thursday morning and into early afternoon near the intersection of Woodruff Road and I-385.

Crews will be setting 150-foot long girders on a bridge near Woodruff Road during that time. The girders will arrive on the I-385 Southbound Ramp to Woodruff Road, take a left on to Woodruff, then take a left into the work zone from the Woodruff ramp to 385 Northbound. The deliveries will occur between 10 a.m. and 2 p.m.

About the 85-385 Gateway Project:

The 85-385 Gateway Interchange Improvement Project will provide an economic boost to the Upstate, improve safety for the traveling public, and increase the capacity of this Interchange to function more efficiently for many years to come. At \$231 million, it is the second largest transportation project in South Carolina history. Learn more at www.85385gateway.com or follow the project on [www.Facebook/85385Gateway](https://www.facebook.com/85385Gateway).
