Detour scheduled for Exit 36-B ramp tonight

GREENVILLE, S.C. – Drivers traveling from I-385 North to I-85 South should expect a detour tonight as part of the 85-385 Gateway Project tonight.

The detour will shut down the Exit 36-B ramp from I-385 North to I-85 South towards Atlanta. Traffic from I-385 North will instead be directed to Roper Mountain Road and will then return to I-385 South to take the ramp towards Atlanta.

Normal traffic patterns are scheduled to return Thursday morning.

About the 85-385 Gateway Project:

The 85-385 Gateway Interchange Improvement Project will provide an economic boost to the Upstate, improve safety for the traveling public, and increase the capacity of this Interchange to function more efficiently for many years to come. At \$231 million, it is the second largest transportation project in South Carolina History. Learn more at www.85385gateway.com.

Detours scheduled for 85-385 Gateway Project tonight

GREENVILLE, S.C. – Motorists driving through the 85-385 Gateway Project need to be alert for a detour at Exit 51-A.

Drivers using Interstate 85 North to get to Interstate 385 at Exit 51 will use the Woodruff Road ramp instead. From there, they will take a right hand turn and follow the signage to I-385.

In addition, vehicles travelling west on Woodruff Road will not be able to take the ramp to I-85 northbound. Instead, they will follow the signage to continue on Woodruff Road to Roper Mountain Road. They will make a right on Roper Mountain and get onto I-385 South, which in turn will take them to I-85 North. Traffic going east on Woodruff Road wanting to get to I-85 North will need to follow the signage to I-385 North and take Exit 36-A towards Spartanburg.

About the 85-385 Gateway Project:

The 85-385 Gateway Interchange Improvement Project will provide an economic boost to the Upstate, improve safety for the traveling public, and increase the capacity of this Interchange to function more efficiently for many years to come. Watch for detours along 85-385 Gateway Project tonight

GREENVILLE, S.C. – Drivers traveling from I-385 North to I-85 North should expect a detour tonight as part of the 85-385 Gateway Project tonight.

The detour affects drivers on I-385 North trying to get to I-85 North. Traffic will be forced to stay on I-385 to the Roper Mountain Road exit, where drivers will take a left at the top of the off-ramp, then take the on-ramp to I-385 South. From there, traffic will stay on I-385 South and take the existing ramp to I-85 North.

Normal traffic patterns are scheduled to return Thursday morning.
