Truck detour lifted for 85-385 Gateway Project

GREENVILLE, S.C. – Normal traffic patterns are in place along the 85-385 Gateway Interchange after crews finished repairs to a damaged bridge column early this morning. The bridge that carries traffic from Interstate 85 North to Interstate 385 North had been closed to truck traffic since last week.

About the 85-385 Gateway Project:

The 85-385 Gateway Interchange Improvement Project will provide an economic boost to the Upstate, improve safety for the traveling public, and increase the capacity of this Interchange to function more efficiently for many years to come. At \$231 million, it is the second largest transportation project in South Carolina History. Learn more at www.85385gateway.com.
